

Specifications and Configurations

Piper is a part of a system that includes pieces of furniture that can stand alone, but can also be combined to create linear, back to back, corner, 90° and 120° tables, as well as standing and meeting tables. With so many configurations possible, Piper is a workstation that caters to the changing modern workspace, while remaining sturdy, strong and classic in design.

Single table 1200mm-2200mm / 47.2"-86.6" W
